Summer 2015	Debt and Democracy (with Till Cordes, Carsten Jung, Jens van 't Klooster)
Winter 2014	Achieving Financial Stability (with Carsten Jung)
Winter 2013	Risk in Finance
Summer 2012	The Philosophy and Economics of Sovereign Debt Crises (with Till Cordes)

12 Supervisions (one-on-one tutorials) for various Oxford and Cambridge colleges on ethics, political philosophy, medieval philosophy, and early modern philosophy (all years).

2 lecture sessions on moral philosophy for the MBA and the EMBA programme at Judge Business School, Cambridge.

Teaching Certificate for Higher Education for the UK (according to UK Professional Standards Framework for teaching and learning support in higher education). Modules on teaching practice, student learning, course evaluation, assessment and feedback, lecturing, and course design.

Service and Activities

Developed course material for a three-day course on tech ethics for Logical Operations, a courseware provider, for participants to earn the Certified Ethical Emerging Technologist Certificate – the first comprehensive certificate on tech ethics for practitioners, launched May 2021 (with Linda Eggert, Wessel Reijers, and Ted Lechterman).

Organized third remote interdisciplinary workshop on the “Ethics of Debt” in the Ethics of Debt Network, July 2021 (with Janosch Prinz).

Organized second remote interdisciplinary workshop on the “Ethics of Debt” in the Ethics of Debt Network, February 2021 (with Janosch Prinz).

Organized first remote interdisciplinary one-day workshop on the “Ethics of Debt” in the Ethics of Debt Network, May 2020 (with Janosch Prinz).

Initiated and led the project “Twelve Stars”, starting a debate between citizens and 27 practical philosophers from all over Europe to discuss proposals for the future of the European Union, issuing in an edited volume with accessible essays by philosophers in English and German published in March 2019. Sold more than 2,000 copies. www.twelvestars.eu.

Organized an interdisciplinary one-day workshop on “The Future of Capitalism”, European University Institute, October 2019.

Organized an interdisciplinary one-day workshop on “Normative and Conceptual Issues in the Economy”, University of York, December 2018.

Organized British Academy Research Conference on “Social Purpose and Culture of Corporations”, May 2018 (one day international conference at the British Academy).

Led research team for two workstreams in British Academy programme “The Future of the Corporation”. Project lead researchers Nien-hê Hsieh and David Rodin, Jan-July 2018.

Organized the Finance and Social Justice Conference at the University of Bayreuth, November 2016 (two day international conference).

Designed and led the Finance & Philosophy programme at the University of Bayreuth, 2014 — present, including design and organization of two lecture series with external speakers from economics and philosophy on “Achieving Financial Stability” and “Debt and Democracy”.

Co-organized a graduate workshop on the ethics of sovereign debt, Cambridge, May 2015.

Referee for the Journal of Political Philosophy, American Political Science Review, Journal of Business Ethics Quarterly, Journal of Business Ethics, Journal of Applied Philosophy, Political Review Quarterly, Social Epistemology, Res Publica, Review of Social Economy, Political Research Quarterly, Philosophy & Technology, Ergo, Critical Review of International Social and Political Philosophy, Business and Professional Ethics Journal, Journal of Social Ontology, Journal of Value Inquiry, Oxford University Press, Routledge, Springer.

Media and Outreach

My research has been featured in international media including Financial Times, Die Zeit, The Telegraph, Die Presse, Svenska Dagbladet, El Confidential, Die Welt, BILD, TAZ.

I advise companies and other organizations on organizational ethics such as Google, on responsible innovation, and the Police Academy North Rhine Westphalia (HSPV NRW) in a four-year project on knowledge culture.

I advise and have presented my research for policymakers and NGOs at organisations such as De Nederlandsche Bank, New Economics Foundation, The New Institute, Bundesverband der Versicherungsberater, GLS Bank, Financial Planning Standards Board Deutschland e.V.

Languages

German (native), English (C2), French (B2), Latin, Greek.
